

Youth Provincial Cup Roster and Match Report Procedures

***The following procedures are to be followed by each team participating in Provincial Cups. You must check in with the BC Soccer headquarters at least one hour prior to EACH match.**

- 1) New this year, teams are no longer required to manually fill in your roster on the 3 part Match Report form at the field prior to each game.
- 2) Instead, Teams are required to bring a minimum of TWO copies of their Provincial Cup Roster form to each game. When you check in at the BC Soccer HeadQuarters you will supply the BC Soccer representatives with both copies. The team coach/manager should cross off any players who are not eligible to play that game (suspended, injured) and sign and date the bottom of each roster form, validating it for that game.
- 3) At the end of the match, the referee fills in the three part Match Report. Each team then receives one copy of the Match Report as well as a copy of their opponent's roster for that match.
